- We need to combine
 - Climate mitigation and nature conservation
 - Ensure sustainability of renewable energy
 - dramatically reduce our energy consumption

Only when we take the time to listen we can understand another

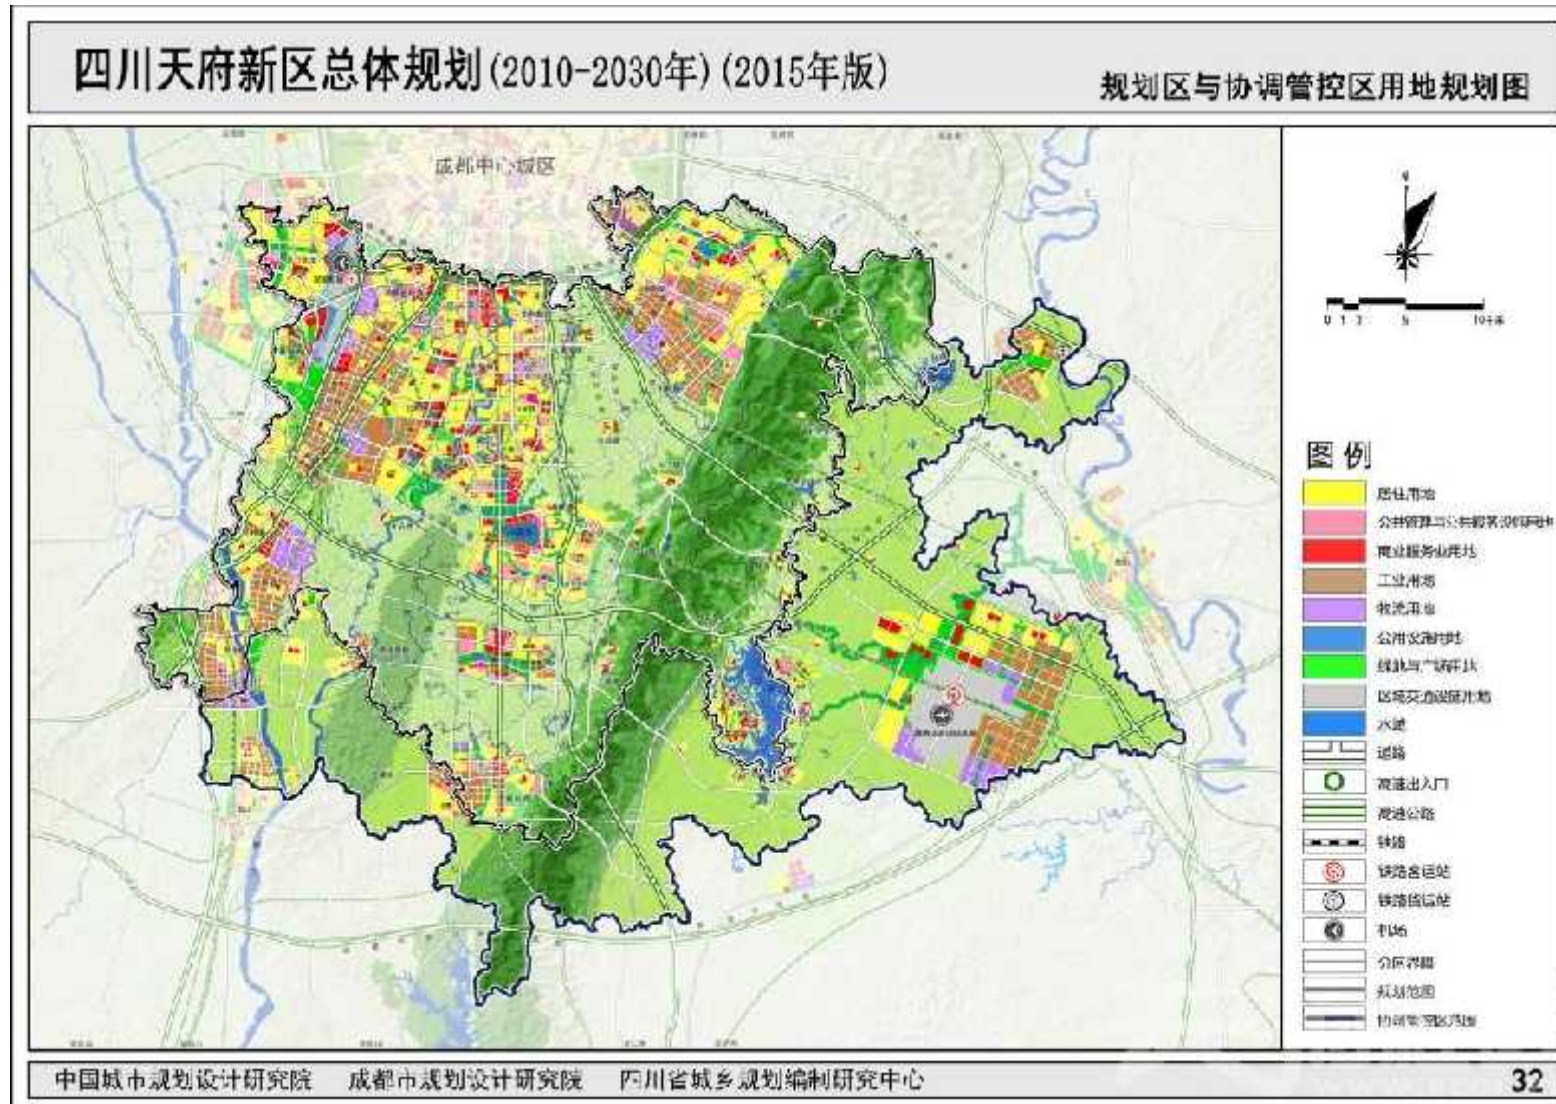

The Comprehensive Planning of Tianfu Developing Area (2010-2030)

EUROPEAN
ENVIRONMENTAL
BUREAU

- Continue the EU – China exchange
- Deepen the cooperation on topics including:
 - Forestry and Biodiversity Conservation
 - low-carbon development
 - and the long-term perspective for 2050.
- Enlarge our network both in China and the EU

What a wonderful world

- I see trees of green,
red roses too.
I see them bloom,
for me and you.
And I think to myself,
what a wonderful world.

I see skies of blue,
And clouds of white.
The bright blessed day,
The dark sacred night.
And I think to myself,
What a wonderful world.

Yes, I think to myself,
What a wonderful world.

- The colors of the rainbow,
So pretty in the sky.
Are also on the faces,
Of people going by,
I see friends shaking hands.
Saying, "How do you do?"
They're really saying,
"I love you".

I hear babies cry,
I watch them grow,
They'll learn much more,
Than I'll ever know.
And I think to myself,
What a wonderful world.
