## EU-China NGO Twinning 2018

SAVE THE DATE

1<sup>st</sup> of February 2018 the next call for applications to the 2018 EU-China NGO Twinning will be send out with a deadline around End of February. The program will offer NGO staff from Europe and China the opportunity to spend a four- to eight-week placement in a Chinese or European organization and to further develop their own areas of expertise. This exchange is designed as a twinning exchange, i.e. two organizations working on similar thematic issues exchange a member of their staff in order to establish long-term partnerships.
